Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Honorable Members of the Board of Patent Appeals and Interferences:

This is a response to the Office Communication dated 06/12/2009 stating that the Appeal Brief filed 22 December 2008 is defective because there was no new Notice of Appeal filed with the brief.

An Appeal Brief was filed 03/20/2008.

In response the Examiner entered a New Grounds of Rejection on 10/02/2008. A Reply Brief was filed on 12/22/2008.

Included in the Reply Brief was: "The jurisdiction of the Board is invoked under 35 USC 134 and 37 CFR 1.191. A Notice of Appeal and payment therefor and payment for filing a Brief were filed March 20, 2008.

It is requested that the Appeal previously paid for be maintained. That brief was filed in response to the Examiner's Third New Grounds of Rejection in this application mailed 12/28/2007. That Notice of Appeal and Appeal Brief were timely filed.

This Reply Brief is timely filed in response to the Examiner's Fourth New Grounds of Rejection and first new grounds of rejection mailed on 10/02/2008 in response to the Appeal Brief mailed March 20, 2008."

Since the Examiner has held that the Reply Brief was, in fact, an entirely new brief, the reference to the original Notice of Appeal was not sufficient, a new Notice of Appeal is enclosed herewith. It is assumed that the original fee paid is sufficient to entitle a decision on the merit of this case by the Board of Appeals.

It is requested that the Examiner's Answer be entered and this case promptly sent to the Board of Appeals since this case is almost 6 years old.

Respectfully submitted
